DESCRIPTION: If you want to learn how to play lacrosse at the highest level and improve all aspects of your game and are dedicated and want to get better, Loyola Youth Lacrosse is for you.

The program will challenge each boy mentally and physically. The teams will be treated like a high school team. You need to show up to practices as much as possible along with showing effort in practices to earn playing time. You must be dedicated and have the ability to handle coaches pushing and encouraging you to get better every day. Players need to email the coach when unable to attend practice. Parents should drop off players and not attend practices. Camp coach Mike Feuer has over 30 years of experience coaching high school and youth lacrosse.

*There will be approximately 40 practices in addition to the league games and tournament schedule. Practice times will be weekdays at 6:00 p.m. until dark (8:00 p.m. later in the season). Games will take place on typically on Sunday mornings, depending on league schedule. We will participate in the IBLA league, attend two tournaments and the year-end IBLA league tournament. The main tournament will be Border Wars on May 9 to May 10 (Mother’s Day weekend) in the Naperville area.

All participants will receive a sweatshirt, sweatpants, shooting shirt, shorts. Camp cost includes all practices and games, field rentals, officials and coaches.
